

## **Snam Rete Gas has been included in the Dow Jones Sustainability World Index**

*San Donato Milanese, September 3, 2009.* Snam Rete Gas has been included in the Dow Jones Sustainability World Index (DJSI), the first and most prestigious global stock exchange index for Corporate Social Responsibility. DJSI groups the leading sustainability-driven companies worldwide with the best performance in terms of corporate social responsibility.

Carlo Malacarne, CEO of Snam Rete Gas, commented: “We are very proud of this result. The inclusion in the Dow Jones Sustainability World Index confirms the continuous and growing commitment of Snam Rete Gas to sustainable development, achieved, through the day by day activity, leveraging on the high profile of the persons involved and their continuous valorisation.

The Dow Jones Sustainability Index, was established in 1999 with the aim of tracing the financial performance of shares that stand out for the excellent results achieved from the economic, social and environmental point of view; it identifies nearly 300 companies out of nearly 2,500 that are selected on the basis of their capitalization
